

GrandStyle
Direct Vent Gas Fireplaces

A grand addition
to any home.

DV360 shown with Marquette face kit in rustic bronze

VERMONT CASTINGS™ COMFORT CONTROL SYSTEM (only on DV360 & DV580 RFN)

- Six level modulating flame and fan function from a hand held remote
- Thermostat governs flame and fan together for maximum comfort
- Operates without electricity (except for power supply to fan)
- Comfort Control System features an all-in-one valve construction, no additional fan system or remote required
- Timer will shut off fire at a later time
